**ADMINISTRATIVE CIVIL LIABILITY COMPLAINT R5-2018-0528, TENG VANG –  
ASSESSOR PARCEL 041-300-006-000, SHASTA COUNTY**

Pursuant to the Hearing Procedure for the above referenced matter, please find enclosed the Prosecution Team's evidence submission which includes a witness list and evidence list. The Prosecution Team's legal and technical analysis is contained in the Administrative Civil Liability Complaint (Complaint) itself, which is also included as an attachment for easy reference. Due to the volume of exhibits, they are not being sent as an email attachment but have been saved to a compact disc and enclosed with the hard copies of this letter.

Amended Hearing Procedures were previously sent to correct a typographical error which referenced a date of January 15, 2010, rather than January 15, 2019. As stated in the amended Hearing Procedures, by January 15, 2019:

- All Designated Parties may submit responses to written statements submitted by Interested Persons.
- Prosecution Team submits Summary Sheet
- Designated Parties concerned about the print quality of their 120 pages of printed materials must provide an extra nine paper copies for the Board Members so that they are received by the Advisory Team.

If you have any questions or comments regarding the enclosed documents, or have any difficulty accessing the electronic files provided, please contact Daniel S. Kippen, Esq., Senior Staff Counsel with the State Water Resources Control Board's Office of Enforcement at (916) 323-6848, or at [Dan.Kippen@waterboards.ca.gov](mailto:Dan.Kippen@waterboards.ca.gov).

Sincerely,

Clint E. Snyder, P.G.
